Four Components of Success

Surat 103: Al-Asr

By the Asr, Verily mankind is *in loss*, *Except for* those who:

To ensure success for any project we undertake, ALL FOUR components must be met…

Have Faith — *Believe in it*

AND

Do the Righteous Deeds — *Do it Right*

AND

Join together in the mutual adherence to the Truth — *Enjoin Righteousness, Correctness, Proper Implementation, and Perfection*

AND

Join together in the mutual exercise of Patience and Constancy — *Group Effort with Patience and Perseverance*

Four Ways to Failure

There are many ways to FAIL a new project . . .
However, *…ONE is Enough…*

- **Ignore it**
  - Pretend we do not need it
  - Claim it is not good for us
  - Ignorance of its importance
- **Fake it**
  - Just for Propaganda
  - Hypocrisy
- **Abuse it**
  - Promote self-interests
  - Show off - fame/position – financial gains
- **Wrong it**
  - Careless application
  - Compromise quality
  - Bad execution
